New Business: Review Light Industrial Zoning Code

Approval of Agenda: L. Ekelund, 2nd G. Cardwell approval unanimous

A new name and code reference number will be needed for this document.

As this will be a new document entirely, for a new zone application of a Light Industrial Zone.

Changes will be needed to be made in reference to roadways from major roadways to, arterial and collector roadways. All in reference to Deldot specifications.

And site design requirements.

Motion to Adjourn: D. Allin 2nd L. Ekelund
